AFRL awards more than \$3.6 million to universities

by *Fran Crumb, Information Directorate*

ROME, N.Y. — The Air Force Research Laboratory's Information Directorate at Rome has recently awarded contracts and grants totaling more than \$3.6 million to colleges and universities. Institutions receiving funds for research programs related to the directorate's information technology mission include:

— University of Maryland, \$1,807,688, "Hi-Q Piezoelectric Nanomech Filter."

— Temple University, \$249,376, "Audio Speech Processing."

— Johns Hopkins University, \$1,012,618, "Mechanical Properties of MEMS Materials."

— George Washington University, \$50,000, "Security Management for SE LINUX."

— Georgia Tech Research Group, \$499,562, "Energy and Power Aware Computing through Management of Computational Entropy." @
